## PAIRPORT NURSERIES,

FAIRPORT, MONROE CO., N. Y.

[Len miles East of Rochester, on the Direct N. Y. C. R. R.] Grounds and Office opposite the Railroad Depot.

J. Y. PARCE, Sol- Proprietor.

AD VERTISEMENT.

We respectfully submit our new Catalogue to the favorable consideration of our patrons and the public generally.

Our stock being true to name and of the best quality, we trust by a strict attention to business to merit a share of your favors.

We wish to call particular attention to the great advantages we have over many other nurseries, our Packing Grounds being within a few rods of the Fairport Freight House and Telegraph office, which enables us to ship with PROMPTNESS AND DISPATCH. Having been engaged in the Nursery and Fruit Growing business for a number of years, we have avalled ourselves of every opportunity of testing the most valuable varieties to plant for profit. It is our intention to discard the worthless varieties that fill up some nursery catalogues. Our list of varieties will therefore contain only those which careful experience has proved to us the most profitable.

Parties ordering Trees of our selection may rely on receiving such as will prove satisfactory. Full directions for Planting, Pruning and after treatment will accompany each order, if requested.

TO PURCHASERS,—Orders from unknown correspondents must be accompanied by cash, or satisfactory reference. The order should be written plainly, on a separate list, and not in the body of the letter.

SUBSTITUTING ON ORDERS.—We have adopted this plan: When a certain number of Trees or Plants are called for by name, to make out the full number as near those kinds as possible, but substituting if necessary. Orders torbidding substitution we will fill so far as we can supply the varieties named. Those who wish to buy to sell again are invited to correspond with us and they will be treated liberally.

PLEASE GIVE PLAIN SHIPPING DIRECTIONS.—When none are given, we forward according to our best judgment. All Plants and Trees carefully labelled and packed in damp moss, sufficient to insure their arrival at their destination in good condition, for which a charge will be made only to cover cost of material used. All orders delivered to forwarding agents here free of charge; but in all cases after orders are left in charge of shipping agents our responsibility ceases. Should any mistake occur on our part, please notify immediately that we may rectify it as soon as possible.

REMEMBER THAT WE ARE LOCATED TEN MILES EAST OF ROCHESTER, ON THE DIRECT NEW YORK CENTRAL RAILROAD.

Eleven passenger trains stop daily directly opposite our grounds. Parties in Rochester looking for stock by taking the 7:30 A. M. or 3 P. M. trains can see our stock and return to Rochester in two hours time.
